

My Favorite Edtech Resources
Adapted by Regina Meeks

Classroom Productivity	
Google Suite	Slides, Docs, Forms, and Sheets
Quizlet.com	Quizlet provides learning tools for students, including flashcards, study and game modes. Use the Quizlet Test feature to assess students on skills they are learning in class.
Flippity.net	Flippity is a free resource for teachers that allows for the creation of quizzes, flash cards, presentations, memory games, word searches, and more.
Wheelofnames.com	Random Name Picker - Multiple uses in the classroom.
Padlet.com	Student Engagement and Response Tool. 30 ways to use a Padlet in the classroom.
Engagement and Gamification	
Deck.toys	Deck Toys is an online classroom platform that allows you to teach and engage students interactively. Your lessons become Learning Paths for Lesson Adventures!
Quizlet.com	Quizlet Live is a collaborative gaming system that allows teachers to engage students and boost their learning using a wide variety of game-based activities. As students play the games, teachers access live data on their performance and track their progress.
Quizizz.com	Quizizz is a gamified student engagement platform that makes a classroom fun, interactive and engaging. Teachers can also use it as formative assessments, homework, and student interactions to create competitive learning.
Choice Boards	Student choice and voice to demonstrate learning. Make sure that the choices offered are meaningful and learning-focused.
