**Digital Village Square**
The *Digital Village Square* is a student community app that invites Sunnyside School District students to suggest and vote on topics for the focus of the curriculum units.

**Compact Writing Assignments**
*Compact Writing Assignments* invite students to engage in a variety of short writing opportunities in creative formats that are relevant and appeal to students' interests.

**Student Curriculum Club**
The *Student Curriculum Club* is a student-led advisory group that partners with teachers in creating curriculum and serves as ambassadors across the district for students to engage in writing.
